

BUS BAR COATING

Somar Epiform® Epoxy Powders for Bus Bar Coating are characterized by exclusive features such as Heat resistance, Flame retardancy and Flexibility and can follow complex shapes.

Applications	Features	Grade	Curing conditions (°C x min)	Tg (°C)	Flame Retardant	UL 94 Approval
Bus Bar Coating	Tracking Resistance	F-205	150 x 30	105	-	-
	High Heat Resistant, Flame Retardant	F-450	190x15	125	o	-
	Flexibility, High CTI	F-460	150 x 15	100	-	-
	Flexibility, Flame Retardant	F-472	150x15	100	o	V-0
